

Recommendation for Lisa Dempsey

I have known Lisa Dempsey for close to fifteen years and I cannot vouch loudly enough for her sterling and warm-hearted character.

Lisa has always displayed a wonderful combination of empathy, patience and genuine caring. When I was going through a difficult period, it was Lisa I turned to. And that was even though I had just met her.

Above all, Lisa is kind. She is also practical, punctual and incredibly resourceful. Someone you can count on. And Lisa also tells the truth.

I suppose there are few people one meets in life who has such an authentic and truly loving voice.

I cannot recommend Lisa Dempsey highly enough.
